## MUSC HEALTH MULLINS NURSING CENTER VALENTINE'S DONATION

The Mullins High School National Honor Society and Beta Club made a Valentine's Day Donation to the MUSC Health Mullins Nursing Center on February 14th. There are currently seventy-three nursing center residents, but the organizations were able to donate enough socks and cards for a total of eighty-four residents. It meant so much to those who are away from their families and in some cases seldom or never see any of their family members. Just to know that there are those who care about others they don't even know meant so much to them. Mrs. Brantley and Mrs. Dudley thank Mrs. Dorothy Davis for her financial contribution and all the members of the National Honor Society and the Beta Club who donated cards, socks, and bags, and their time to make this year's Valentine's Day so special for members of the senior citizens community. We are Auctioneer Proud!

## COUNSELOR APPRECIATION WEEK

Mullins High School Counselor Appreciation week was a success. Our counselors were provided a luncheon. Thank you for all that you do for our students and teachers.
