

# WEE FOX WEEKLY

Easterling Primary School

Sept. 13, 2024

“Little People Making BIG Gains!”

Hello Wee Fox Family!

We have had a great week at EPS! Our Wee Foxes did such a great job during our intruder drill. We are so proud of them for practicing safety. This week we also held our STEM Lab reveal. The students are very excited about getting to go in and learn through our new lab. Next week, Mrs. Bell will begin pushing into classrooms to introduce our students to STEM and prepare them to go into the lab to explore. Classes will get to tour the lab and see the new equipment available for learning. We can't wait to see what is going to happen next at Easterling Primary.

Best Regards,  
Christy Elliott
