

4th Grade Science and Social Studies News with Mrs. Grover

Week of September 3-6, 2024

SCIENCE: Last week in Science, students completed an experiment using the Scientific Method. Students used gummy bears to complete and write the report complete with Data. This coming week, students will be divided into groups where each group will be given a special activity in which they go through the steps of the engineering design process. Be sure to follow your child's class on ClassDojo for pictures of these activi-

Social Studies: We are reading and studying Colonial Life this week. The articles will focus on *Daily Life in the Colonies*, *The New England Colonies*, *The Middle Colonies*, and *The Southern Colonies*. Students will have a homework assignment this week, completing 10 questions based on the reading. The assignment will be turned in on Thursday. There will be a test on Week 3 newspaper on Friday. Please make sure that your child brings these newspapers back to school everyday, as we use them in class daily.

Upcoming Events:

September 2- No school

September 3 and September 5—Interim Reports

September 26—Early Dismissal (12:00)

October 2—First 9 week period ends

October 7—11—Fall Break

"I hear, and I forget. I see,
and I remember. I do, and I
understand."
