Child Early Reading and Development Education Program (CERDEP) Parent and Guardian Handbook

2023-2024

Contents

History of CERDEP from 2006–07 to Act 284 to Present

Section 59-156-110

The South Carolina Child Development Education "Pilot" Program (CDEPP), began under Proviso 1.75 of the 2006–07 Appropriations Act for the trial and plaintiff districts in the *Abbeville v. State of South Carolina* lawsuit. Since that time, the South Carolina General Assembly has expanded the authorization and funding for many of the state's at-risk 4-year-olds to have an opportunity to attend a full-day educational program.

Appropriations Act-Statute	Provisos-Statute	Expansion
2009–10	1.62	Poverty 90% or higher
2013–14	1.83 and 1A.34	Poverty 75% or higher
2014–15	1.78 and 1A.33	Poverty 70% or higher
Act 284 of 2014	S.C. Code § 59-156-120(A)(3)	With any funds remaining after *Abbeville* and 90% poverty districts, the program must be expanded statewide, with priority set in proviso.
2020-21	1.56	Poverty 60% or higher (schools in non CERDEP districts)

The annual CERDEP proviso language was codified with the approval of the Read to Succeed legislation, Act 284, as the South Carolina Child Early Reading Development and Education Program (CERDEP),[1] which was signed into law by the Governor on June 11, 2014. The CERDEP districts and the years in which they became eligible are listed in Appendix B.

Section 59-156-110 mandates that in CERDEP classrooms districts will provide (1) a comprehensive, systemic approach to reading that follows the State Reading Proficiency Plan and the district's comprehensive annual reading proficiency plan, (2) successful administration of the readiness assessment; (3) the developmental and learning support that children must have to be ready for school; (4) parenting education, including educating the parents as to methods that may assist the child; and (5) identification of community and civic organizations that can support early literacy efforts.

---

[1] This Handbook will continue to use the abbreviation CERDEP since most programs developed using it.

Program Goal of the Child Early Reading and Development Education Program

The goal of the CERDEP is to provide children and their families with quality preschool experiences necessary for school success. Each program will incorporate the following:

- Provide a healthy, safe and nurturing environment;
- Provide an environment that encourages early literacy, emotional, social, physical and intellectual development;
- Encourage the development of a positive self-image;
- Make learning fun so that children will develop a desire to be lifelong learners;
- Encourage language development, creativity, and an appreciation of fine arts and music;
- Encourage children to interact successfully with other children and adults and to live and work together in a cooperative environment which promotes decision making, peaceful resolution of conflicts and respect for others; and
- Form a cooperative partnership with parents so we can work together to meet the needs of each child and ensure his or her success.

<u>Vision Statement</u>
Educating, preparing, and inspiring tomorrow's citizens and leaders.

<u>Mission Statement</u>
Marion County School District prepares young people to choose the future they dream about, whatever that dream may be. We are a learning organization that is constantly seeking ways to make its workplace and learning environment better for adults and students throughout the county. Through dynamic partnerships with students, families, and the community we harness the power of our collective assets to inspire innovation through collaboration.

Requirements for Eligibility for CERDEP Enrollment

Residency
Pursuant to statute, priority for participation in CERDEP had been given to eligible children residing in the school districts participating in the *Abbeville* lawsuit and participating since 2006–07. The statute directs that each year's appropriations bill set forth the priority schedule for other districts in the state. The eligible districts for 2023-2024 are listed in Appendix B.[2]

Parent(s)/guardian(s) of age- and income-eligible children must provide documentation of the children's legal residency within a CERDEP school district.

Age Eligibility
To be eligible a child must be four years of age on or before September 1of the current school year based on acceptable documentation, such as a birth certificate or official document from other countries. Proof-of-age eligibility must be on file no later than the day the child begins CERDEP.

Family Income Eligibility
Family income eligibility must be shown for enrollment: an annual family income of 185 percent or less of the federal poverty guidelines as promulgated annually by the U.S. Department of Health and Human Services; or Medicaid eligibility. Acceptable forms of verification include the following: notification letter to parent/guardian confirming household eligibility for free or reduced meal benefits (not applicable for Community Eligibility Provision (CEP) schools) or a copy of current Medicaid card. Verification of family income may include pay stubs, tax returns, or W-2 forms.

Immunization
Documentation of the child's immunization must be provided at enrollment.

Application Process
The parent enrolling a child must complete and submit a CERDEP application. The application must be accompanied by a copy of the child's proof of age eligibility, documentation of the family income eligibility, social security card, proof of residency, and immunization documentation.

Screening
All children will be screened prior to the time of enrollment using the Developmental Indicators of Assessment of Learning (DIAL-4).

Anti-Discrimination Statement
Approved CERDEP schools must comply with constitutional provisions and all federal and state laws prohibiting discrimination on the basis of race, color, religion, national origin, age, sex, or disability in admission to, treatment in its programs and activities or need for special education

---

services. For further information on federal non-discrimination regulations, including Title IX, contact the Assistant Secretary for Civil Rights at ocr@ed.gov or call 1-800-421-3481.

Operating Policies & Procedures

Attendance
Regular attendance is crucial to your child's success. Each parent/family must agree to send their child to the Child Development Education Program (CERDEP) for 6.5 hours of instructional time, five days per week, 180 days a year. Exclusions from the 180 days of attendance would include school district closures due to dangerous weather situations. A child who is chronically tardy or absent may be released from the program.

CERDEP Hours
7:30-2:20

District/School Calendar
The CERDEP follows the traditional 180 day school year. A copy of the school calendar is included in this handbook.

Tuition
No parent is required to pay tuition or fees solely for the purpose of enrolling in or attending CERDEP. Tuition or fees may be charged for Extended-Care or Wrap-Around Care provided when it is not part of a state-funded expansion program.

CERDEP Summer program/Extended Care/Wrap Around Care
Extended-Care or Wrap-Around Care may be provided on site or offsite at a cost for families. Child care vouchers through the SC Voucher Program may be available for those children who qualify the school staff will provide information on how families can apply.

Transportation
Public school transportation services will be provided by the district. Districts shall not be responsible for the transportation of any student living outside their resident attendance zone. Please notify the school immediately of any changes in transportation arrangements. **Only authorized people with proper identification will be allowed to pick up your child.**

CERDEP Daily Schedule
Opportunity for a brief rest time will be incorporated into each instructional day. Rest time may not exceed one hour per day, except as necessary to address the specific individual needs of children. Children unable to sleep during the rest period shall be allowed to read or participate in another quiet activity. A copy of the daily classroom schedule will be available.

Confidentiality
Confidentiality of information about the child and family will be maintained at all times. Enrollment forms and all other information concerning the child and family will be accessible to the parent/guardian, principal, teaching staff, and licensing agency. Information concerning the

child will not be made available to anyone else by any means, without the expressed written consent of the parent/guardian.

Discipline and Guidance Policy
Providers will make use of developmentally appropriate guidance techniques and may not allow the use of corporal punishment or severe discipline. In accordance with nonregulatory federal guidance, exclusionary practices should not be used to reduce unwanted behavior. Resources on appropriate strategies to reduce unwanted, and teach desired behavior can be found here: http://www.pyramidmodel.org/. Staff members and parent(s)/guardian(s) shall sign and date a disciplinary policy statement as required by the Department of Social Services (DSS). The signed disciplinary policies shall be maintained on file.

Early childhood experts believe that good discipline is a learning process that involves compassion, caring, sensitivity, and guidance. The goal of good discipline is to help the child develop self-control, responsibility, and problem solving skills, characteristics that are foundational to a student's meeting the *Profile of the South Carolina Graduate*.[3] There are many ways that the teachers will encourage good discipline practices:

- A well planned physical environment and curriculum;
- Acting as role models for the children;
- Setting reasonable and positive expectations;
- Respecting feelings;
- Trusting each child to succeed;
- Offering good, reasonable choices;
- Calmly talking about problems; and
- Always reinforcing good behavior.

Punishment or harsh treatment does not encourage the goals of good discipline. This includes, but is not limited to, spanking; belittling; shaming; shaking; depriving food, water, naps, outside time, or bathroom facilities; unsupervised isolation, or improperly restricting the movement of the child.

With groups of children interacting, there will be conflicts. The teachers will implement proven healthy strategies that are appropriate to the situation. Some guidance techniques that staff may use include, but are not limited to, the following:

- Conflict Resolution – Teachers help children learn skills and language to work out disagreement with their peers;
- Redirecting the Child – Quite often, children need to be given concrete alternative suggestions for behavior to focus their energy in a positive way;
- Positive Encouragement – Teachers praise the appropriate behavior, being careful not to give much attention to the negative behavior;

---

[3] https://ed.sc.gov/about/profile-of-sc-graduate/

- Natural Consequences – For example, by helping a child realize that arriving late for group time activities will result in missing their turn; or
- Removing the Child from the Group – This is handled in a calm manner without unnecessary stress to allow the child regain self-control.

Each child has different needs and requirements to develop self-control, judgment, and problem-solving skills. Teachers and administrators will work individually with each child and his/her parents to establish a positive interactions.

Educational Policies

Curriculum
All aspects of the learning environment, including equipment and materials, classroom environment, outdoor environment, staff child interactions, teaching strategies, learning center provisions, etc. must be founded on current early childhood research and focus on the developmental and academic needs of four-year old children. The curriculum that will be implemented is Creative Curriculum.

Creative Curriculum is a practical approach on how to organize the environment to support children's social development and active learning. It is based on child development theory. By continually changing and enriching the environment, teachers can support learning and creativity in children. It emphasizes establishing a partnership with parents and offers practical ideas for explaining the curriculum to parents. For more information, visit www.teachingstrategies.com.

Assessing Student Learning
Your child's teacher will administer a readiness assessment, as required by state law. The assessment will provide information for the teacher on your child's literacy skills and will be used only to meet your child's individual learning needs. The teacher will additionally conduct ongoing student assessments to gather information about each child's growth and skill development, as well as to inform instruction. Your child's progress will be assessed using a developmental child assessment instrument approved by the South Carolina Department of Education. The assessment will replace traditional report cards and standardized tests with a system that helps teachers observe your child, assess your child's work, and document your child's achievement with the following:

- Portfolios: Collections of your child's work that show progress and demonstrates special interests and talents as well as areas in need of development; and
- Developmental Guidelines and Checklists: Lists of age or grade level expectations that are used for guiding teachers observations about your child's achievements in school.

The benefits of developmental child assessments are the following:
- Your child's strengths and needs are clearly identified for you, your child, and the teacher.
- Teachers focus on your child as an individual and set specific goals for him or her.
- Your child is observed and evaluated using a developmental checklist that is based on the most current knowledge about how children develop and learn.

- The process of evaluating your child is connected to what happens in the classroom.

Documentation from the assessment will be sent home three times per year, after approximately the 60th and 120th day of school and at the end of the year.

Health, Wellness & Safety

Health Records
All schools shall comply with the South Carolina Department of Social Services Licensing Regulations for Private and Public Child Care Health, Safety and Sanitation requirements.

A health record for each child shall be maintained in the school. Each health record shall include all of the following information:
- A statement, signed by the parent/guardian, of the child's health prior to admission to the Child Development class. (DSS Form 2900)
- A current copy of the child's immunization record signed by a physician or other health official. This record should indicate that all required immunizations are complete as recommended by the South Carolina Department of Health and Environmental Control (DHEC), or that the appropriate official has provided written proof that the child meets either medical or religious exemption requirements; and
- Other health information deemed necessary by the program director and/or by the parent(s)/guardian(s).

FIRST AID
We are equipped to take care of only minor first aid problems. If a child becomes sick or is injured at school the principal or nurse will make a determination as to the severity of the illness. If necessary, every attempt will be made to contact a parent or designated person from the emergency form.

HEALTH ROOM
The health room is staffed by a registered nurse.

Parents, your child should be kept at home if any of the following conditions exist:

- Contagious Illness
- Temperature above 100 in the past 24 hours
- Vomiting/Diarrhea
- Severe stomach ache/headache or cough
- On antibiotics for less than 24 hours
- Feeling too sick to sit upright

If your child develops any of these conditions while at school, or other conditions, which warrant medical attention, you will be called to pick up your child.

Medications: Per MCSD policy JLCD-R, students are not allowed to bring medications to school. A properly signed and dated request on the district-approved form from the parent/legal guardian must be on file in the student's health record prior to administration of any medication by school district personnel. Medication permission forms and medication orders must be updated at the beginning of each new school year for each new or different medication and when changes are made to the student's medication regimen. One permission form per school year will suffice for medications that will be given on a long-term basis. Medications must be provided in pharmacy-labeled bottles. "Sample" medications provided for a student by his/her healthcare practitioner may be accepted for administration if the healthcare practitioner provides written guidance for administering the medication and the medication is brought to the school in the original container provided by the pharmaceutical manufacturer. Nonprescription (over-the-counter) drugs may only be administered if a properly signed and dated district-approved form has been submitted by the parent/legal guardian.

All medications will be administered by the school nurse or a designee in her absence in order for proper documentation to be maintained. Notify the nurse immediately if a student has any kind of medication.

Medication information is confidential and should be shared by the nurse or parent on a "need to know" basis.

Reporting of Abuse or Neglect
All schools are mandated by law to report suspicion of child abuse or neglect; the law requires reporting the following:

- Any physical injury, sexual or emotional abuse inflicted on a child other than by accidental means by those responsible for his/her care, custody and control (with the exception of discipline including spanking administered in a reasonable manner) shall be construed to be abuse.
- Failure to provide by those responsible for the care, custody and control of the child, the proper or necessary support, education as required by law, medical, surgical or any other care necessary for his/her well-being shall be classified as neglect.

Parent/Family Involvement
The district's early childhood program recognizes that parents and families are their child's first teachers. We want parents and families to be actively involved in their child's education this school year and for many school years to come.
Parent/Family Workshops
A series of Parent/Family workshops and/or Parenting Programs on various topics will be offered throughout the school year. Families are strongly encouraged to attend these. The school district's Family and Literacy Parent contact person is Sharron Crowner.

Parent-Teacher Conferences

Schools will report at least quarterly to the parent(s)/guardian(s) on his/her child's progress. This reporting will include the following:

- An orientation to CERDEP (ex: Back to School Night, home visits, etc.) will be conducted as the first of these quarterly contacts to complete the Parent Orientation Checklist.
- Two of the quarterly contacts will include parent-teacher conferences during the school year. Conferences will be a time for parents to learn about their child's experiences and developmental progress. Documentation of your child's progress, curriculum developmental checklists, and portfolios will be shared with during the conference and at regular reporting times during the school year.
- The final review of your child's progress will be provided at the end of the school year as the concluding parent contact.

Other conferences may be scheduled at the request of either the teaching staff or parents.

Communication

CERDEP believes in building a partnership with all families of the children enrolled. Open communication is the most important characteristic of this partnership and is considered the most beneficial to the children's learning and development. Parents are encouraged to share information that would be helpful in the staff's caring of their children. The teaching staff will also share information with parents about their children and about the program using various modes of communication:

- regular newsletters;
- face-to-face conservations;
- phone calls;
- e-mails; and
- written notes.

Classroom Visits

All parents are encouraged to visit their child's class to observe or participate in class activities. There is always room for parents and grandparents alike to spend some time with the children or to share talents, hobbies, and interests with all children.

Parent/Guardian-Teacher Agreement

The schools that are participating in CERDEP truly believe that parents are their child's first and most important teachers. The selected schools see their role as that of a partner. The Parent/Guardian-Teacher agreement outlines how parents and teachers can share the responsibility for the success of each child. Please sign the copy of this agreement, which is at the end of this handbook, and return to your child's teacher.

Parent/Guardian and Teacher Agreement

The schools that are participating in Child Early Reading Development Education Program (CERDEP) truly believe that parents are their child's first and most important teachers. The selected schools see their role as that of a partner. The Parent/Guardian and Teacher agreement symbolizes this partnership. It is a document that outlines how parents and teachers can share the responsibility for the success of each child.

As a parent/guardian, I, _____ will strive to:

- Believe my child can learn;
- Demonstrate that I value education and that school is important;
- Ensure my child attends school regularly and is on time;
- Set aside time each day to talk with my child about his or her learning;
- Read to my child daily and allow my child to see me read daily;
- Provide a home environment that encourages my child to do his/her best;
- Provide structured sleeping and eating habits; and
- Attend parent/guardian and teacher conferences.

As a teacher, I, _____, will strive to:

- Believe that each child can learn and demonstrate a "growth mindset";
- Respect and value the uniqueness of each child and his or her family;
- Provide a safe environment that promotes active hands-on learning;
- Provide frequent communication with newsletters, reports, and telephone calls;
- Seek ways to involve parents in the school program;
- Schedule parent-teacher conferences to accommodate parents schedules; and
- Welcome the participation of parents and guardians in the classroom and their support in helping their children succeed.
