### **I. Course Description:**

This course is a study of the history, development, organization, and practices of preschool, elementary, and secondary education. It is partially funded through Education Improvement Act initiatives and operates under an agreement between the school site and the Center for Educator Recruitment, Retention, & Advancement (CERRA) located in Rock Hill, South Carolina.

### **II. Objectives:**

The objectives for Teacher Cadet are based on the standards found in the South Carolina Teacher Cadet Curriculum, *Experiencing Education*. Students who successfully complete Teacher Cadet with a passing grade of 70% or higher will have demonstrated the abilities, concepts, knowledge, and skills required to do the following:

1. Identify characteristics of self as a learner (e.g., learning styles, multiple intelligences).
2. Explain the concept of self-esteem regarding the learner.
3. Identify and explain the stages of human growth and development.
4. Identify the components of effective groups.
5. Recognize barriers to learning and develop methods of dealing with these problems effectively.
6. Distinguish between effective and ineffective teaching.
7. Explain and demonstrate the process of teaching.
8. Identify and utilize various methods of instruction.
9. Participate in an extended field experience assisting a teacher with individual tutoring, group monitoring and tutoring, and whole class instruction.
10. Research the history and development of education in the public schools.
11. Distinguish between various alternatives to public education—private and home schools, etc.
12. Explain the structure/organization of a school and a school district.
13. Research on the Internet and debate in various educational issues.
14. Explain how individuals and schools react to and handle the need for change.
15. Develop one's own vision of the transformation of education.

### **III. Course Materials:**

Curriculum Resources:	<u>Experiencing Education</u> (11 <sup>th</sup> ed.); SAY, MAY, FLAY curricula; various novels and films related to the teaching profession
Course Text:	<u>Experiencing Education: Teacher Cadet Student Guide</u>
Suggested Notebook:	1.5" binder with clear plastic insert cover

### **IV. Fees:**

There is no tuition fee required for the class and students, upon successful completion can receive college credit and a high school honors credit.

#### **V. Major Curricular Topics:**

The Teacher Cadet curriculum is written and coordinated by the Center for Educator Recruitment, Retention, & Advancement (CERRA) at Winthrop University under the auspices of the State of South Carolina.

#### **VI. Course Outline:**

The course will be taught in the sequence of units within the curriculum. When necessary, the teacher will make adjustments to the course calendar. A weekly and/or monthly calendar will be provided as planned together in class with the instructor and students are required to keep their own calendar in hard copy or in electronic format.

#### **VII. Course Credit:**

Teacher Cadet is an AP-weighted, dual credit accrual course. Students earn one Carnegie unit of high school credit and three hours of transferable college credit upon successful completion of the course.

Students at the ACT receive college credit through Francis Marion University. Students complete registration paperwork provided by the college and at the annual College Day on Francis Marion University's campus, they receive a college ID.

The course is a 3 HOUR (credit) course that can be transferred to any college or university either in S.C. or out-of-state. **If the student attends Francis Marion University, the grade received will count toward the student's GPA.** If the credit is transferred to another college, only the credit transfers—not the grade. Each Teacher Cadet high school is partnered with a college or university in its area to be the credit-granting institution. **It is the student's responsibility to request that this credit is transferred to the college of their choice.**

We are fortunate that Francis Marion **University provides this credit at no charge** to the student.

#### **VIII. Grading, Student Records, and Homework:**

Student progress is assessed during each grading period of the course. Methods of demonstration, modeling, teamwork in pairs and small groups, hands-on activities, projects—research, computer, video or multi-media, presentations, tests, readings, essays, participation, and self-evaluations will be used for assessment. Students will receive grades through the **point system**. Each assignment will be assigned a set number of points, and the student must accumulate a set total to equal the grade for the quarter. The field experience will be assessed through **journal writing, lesson plans, and a portfolio**.

High School Grading Scale:

A=90-100%      B=80-89%      C=70-79%      D=60-69%      F=59 and below

#### **University Grading Scale:**

A = 93–100; A- = 91–92; B+ = 89–90; B = 86–88; B- = 84–85; C+ = 82–83; C = 79–81; C- = 77–78; D+ = 75–76; D = 72–74; D- = 70–71; F = 69% & below

Note: High school grades will be converted to the College Partner's grading scale.

**Service Learning: Cadets will be required to complete service-learning hours each quarter in order to understand the responsibilities of teaching. Records must be kept and journals written of the experiences, and the minimum number of hours each quarter must be met for the contract grade.**

1<sup>st</sup> quarter = 20 hours

2<sup>nd</sup> quarter = 15 hours

#### **Power School Parent Portal:**

The most recently posted student grades may be seen **via the Power School Parent Portal internet-based reporting system. Parents must meet with their student's guidance counselor to register** and receive a password to access the system.

#### **Homework Policy:**

Students are expected to finish required daily written work and reading assignments for homework if the work is not completed in class.

**\*\*\*\*Francis Marion University has a no make up work policy. If students do not attend class to turn in an assignment on its due date, the student will receive a zero for the assignment.**

**\*\*\*Students must individually arrange with the instructor IN ADVANCE if the student knows there is a reason why an assignment may not be turned in by its scheduled due date. Simply being absent does NOT mean the grade is excused or accepted late.**

#### **IX. Class Procedures and Class/School Rules:**

Student Behavior: Teacher Cadets are given many responsibilities. They must be mature, dependable, responsible, but most of all trustworthy. BEING A MEMBER OF THIS PROGRAM IS A PRIVILEGE.

In order to promote positive choices, prevent discipline measures, and to enhance the credibility of the Teacher Cadet Program, Teacher Cadets must comply with duties and responsibilities set forth by CERRA, the program's sponsor, the Teacher Cadet instructor, and school administration, in addition to school/district rules outlined in the Student Handbook.

Students are advised to follow the rules and procedures, as well as the expectations, for the class. The Teacher Cadet instructor **will explain those procedures as part of the course overview.**

#### **School Rules about Misbehavior:**

**The school and district clearly outline school rules and policies governing student behavior. For a first offense, the student will be issued a verbal warning; at the second offense, the student will have a conference with an administrator. The parent/guardian will be notified if an unacceptable behavior persists. The student will be referred to the school administration for disciplinary action if behavior causes class disruption or interferes with the rights of other students to learn.**

#### **X. Classroom Management:**

Students are expected to behave in a respectful way as it relates to people, property, and others' rights to learn at all times and in every situation. Failure to do so will result in appropriate action.

**All Teacher Cadets must remember that, once they become a Teacher Cadet, they are responsible for their actions both **inside the program and out.** When students are the guests of other district schools during observations and field experience, they are expected to follow all rules of The ACT and the MCS D and represent the school in a manner that brings honor and dignity to themselves, the school, and the Teacher Cadet program. Failure to do so may result in removal from the program.**

Any discipline infraction that results in a formal disciplinary action is grounds for immediate dismissal from the Program. If, because of a student's actions at school or in public, the Teacher Cadet instructor or principal of

Mullins High School believes that the Teacher Cadet will not maintain the honor, dignity or trust required to be a Teacher Cadet, the Cadet may be summarily removed from the Program.

If removed and a TC has paid for college credit at the partnering college/university, all rights to credit from the Teacher Cadet course will be forfeited and no refund of any payment will be given. This is a college/university policy. Neither the Teacher Cadet instructor nor the school will be held liable for fees already processed by the partnering college/university. Additionally, if a student withdraws from the course or is removed for reasons stipulated in the syllabus, he or she will receive an F at the college level.

#### **XI. Absences & Make-up Policy:**

There is a no make up work policy for this college credit class.

Students may miss NO MORE THAN 5 DAYS for college credit in this class as this is FMU's attendance policy.

#### **Attendance/Tardy Policy:**

The policies are set forth by the school **and** the partnering college or university. Each will be strictly observed. Students may not miss more than 5 days in the class in order to receive high school and college credit. Please note there are time restrictions at the collegiate level for dropping this class.

During the field experience, it is extremely important that students inform the supervising teacher at the assigned school **and** Dr. Lewis Jacobs if the student is to be absent. This may be done the day before, but must be **no later than 8 a.m.** on the day of the absence. **Absences from field experience will be counted as absences from class and will count toward the 5-day limit.** Field experience days are not optional; if missed, they must be made up.

#### **XII. Communication:**

**Due to the limited phone lines available for teacher use at school, the quickest way to get in touch with Dr. J. is through email or via the cell phone number provided on this syllabus.**

(843) 855-1925

gjacobs@marion.k12.sc.us

#### **XIII. Non-Instructional Routines:**

Each Teacher Cadet will have parents or guardians sign a permission form for observations and field trips for the course.

#### **XIV. Academic Assistance:**

Students may arrange to meet with the instructor at any time that is mutually convenient.

#### **XV. Suggestions for Study Skills:**

As this is a college credit course, students are expected to maintain all work on the level expected of a college freshman. This means fulfilling all assignments, whether they are journals, essays, research projects, group projects, or reading assignments. **Timeliness is not just expected; in this course, it is demanded. Late work will not be accepted and will result in a failing grade!** **Be aware that grades below a C will not transfer in college; therefore, the student will not receive the college credit if the grade is a D. As a college level course, the grade you earn in this class will affect your SC scholarship GPA and will count toward your freshman year GPA should you decide to attend your College Partner institution.**

#### **XVI. Honor Code:**

The Academic Honesty Policy is being implemented to ensure that students submit credible work that is evident of their content mastery. Students should seek to be totally honest in their dealings with others. They should

complete their own work and be evaluated based upon its originality. They should avoid academic dishonesty and misconduct in all its forms, including plagiarism, fabrication or falsification, cheating, and other academic misconduct.

**XVII. Course Instructor Concerns:**

If a question or problem should arise, the student should talk to Dr. Jacobs.
