

Marion County School District Application Addendum Lower Elementary Montessori Choice Program 2021-2022

Marion County School District will continue to have Lower Elementary Montessori classrooms for the 2021-2022 school year. We are planning for the Montessori classrooms to be located at the Academy of Early Learning. Marion County School District will provide this as a choice program.

What is Montessori Education?

Montessori is a method of education that is based on self-directed activities, hands-on learning and collaborative play. In Montessori classrooms, children make creative choices to guide the process. The teacher prepares lessons and tailors instruction to meet the needs of the individual student. Montessori classrooms require a specially trained teacher and special classroom learning materials and resources.
