

Dear Parent/Guardian,

Thank you for being an active partner in continuing your child’s education while we are under the SC Governor’s Executive Order to close all K-12 schools in hopes of limiting exposure to COVID-19. In this packet, teachers have included planned lessons and activities to engage students and provide instruction for the next two weeks. Please help your students complete this work. *Completed work should be sent back with your child on the first day we return to school. The work will be graded as classwork.* If you have any questions, you can email the teacher. We’ve also included a possible daily schedule below.
