Dress Code Policy

School pride plays a significant role in enhancing our school culture. Wearing the school colors is a great way to display school pride. Creek Bridge's school colors are green and black, with gray also an option. All students can wear all colors. Please see the details below the school colors.

Pants/Skirts/Skorts/Shorts:

- Khaki or Black Khaki- Pants should be worn appropriately. Skirts, skorts, and shorts should be the appropriate length as outlined by the Marion County Dress Code Policy.

Shirts:

- Solid-colored polo-style shirts should be worn. Students have the option of wearing Kelly Green, Black, or Gray.

Jackets:

Please note that jackets worn inside the school building during the school day should also be in uniform top colors: Kelly Green, Black, or Gray.

We are excited to offer students more color options for their uniforms this school year and hope they enjoy mixing and matching different colors.
