CELEBRATES

## I-READY GROWTH

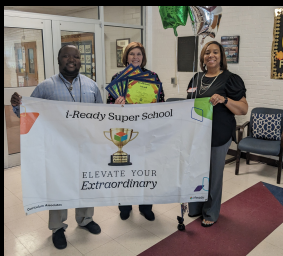

We love what we do! The Office of Teaching and Learning celebrated our awesome school leaders, their students, faculty, and staff for their school's successes on our Spring i-Ready Diagnostic.

Honoring and recognizing the small changes toward excellence will, ultimately, culminate in shifting to a true culture of excellence! Today, we celebrated every K-8 school for their Fall to Spring successes and honored the following schools as i-Ready Banner schools for the following areas:

### CBSA - GROWTH AND PROFICIENCY GRADES 6-8

### EPS - PROFICIENCY GRADES K-2

### NMP - GROWTH GRADES K-2 AND GROWTH AND PROFICIENCY GRADES 3-5
