Anderson Brothers Bank Supports Back Pack Buddy Program with \$10,000 Donation

The Back Pack Buddy Program was established to provide essential food support to children from food-insecure homes throughout Marion County. Currently, the program helps feed over 60 children each weekend through public schools, with expectations to serve more than 100 children by the end of the school year.

This vital initiative relies on the generosity and kindness of our community—and once again, support has come through. On Friday, November 22, 2024, Anderson Brothers Bank generously donated \$10,000 to help sustain this important work.

A heartfelt thank you goes to Mr. David Anderson, President & CEO of Anderson Brothers Bank; Mrs. Stephanie Byrd, Chief Technology Officer of ABB; and everyone at ABB for their commitment to making a difference. We also extend our gratitude to all who continue to contribute—your support is always needed and deeply appreciated!
