

Mullins High School MCJROTC Program

The Mullins High School MCJROTC program posted the colors at the Coastal Carolina vs Duquesne football game held in Conway, South Carolina. The color guard team is directed by Master Sergeant Ray Bryant. Over the past 18 years, Master Sergeant Bryant and his color guard teams have performed all over the state. They have posted colors at the Myrtle Beach Bowl, Marion Corps League Military Ball, and for the State Board of Education. Congratulations to the Mullins High School MCJROTC program for a job well done!
