When we return in January, we will begin the budget and planning processes for 2020-21. I am requesting a brief Board workshop prior to the January meeting to discuss upcoming strategic planning efforts. I will further discuss this request with the Board chair.

Human Resources: On December 10th, we hosted an Alternative Certification workshop and we were very pleased with having 25 people in attendance. We also hosted a virtual "coffee chat" on December 11th that focused on why teachers should consider "bringing their Journey to Marion County". We will host a total of 3 virtual workshops this year with another following in January and February 2020.

Teaching and Learning:
Lead Teachers and Principals have collaborated in combined sessions to prepare support for teachers in rigorous standards instruction. During these sessions, Lead Teachers and Principals identify success criteria for students and what rigor looks like in assessments and instruction. Early release days and PLC meetings have been used to deliver information to teachers. Classroom walkthroughs and observations provide opportunities for leadership team members to share feedback with teachers based on their new learning.

SCDE will do a follow up Special Services visit on January 10, 2020. Title I will do SCDE audit in the spring.

Student Services: Threat Assessment Policy
The SCDE has released the School-Based Behavioral Threat Assessment and Management Best Practices Guide for SC schools. To support the implementation of effective threat assessment protocols and procedures in MCSD, school boards have been asked to adopt a threat assessment policy, which establishes authority for school professionals to act upon reported threats and/or concerning behaviors. The Discipline Task Force will begin the work of crafting a Threat Assessment Policy for First Reading during the second semester of the 19-20 school year.

Finance: The Audit has been successfully submitted to the State Department and the Federal Clearing House on time.
