Marion County Board of Education

Operations Report

November, 2020

Facilities/Operations Report

Personal Protective Equipment

The district has received more desk shields from the South Carolina Department of Education. We have received shields for individual desk and small group tables.

The Marion County Habitat for Humanity donated hand sanitizer and 1000 adult gloves to the district. Those supplies are being distributed to schools.

Review and Action for Marion County School District Process for Listing Property for Sale

I spoke to Marion County Administrator, Tim Harper in reference to the county’s process for listing property. Mr. Harper stated that the county receives sealed bid on property. In the past, the county has not set a minimum bid requirement.

It is the recommendation of the administration that Marion County School District initially place for sale signs on any unused buildings. The district would then set a minimum acceptable bid on the property. The minimum bid would be established by the appraised value of the property; if the property does not receive the minimum bid requirement, after 9 months the district would then list the property with a real estate company.

Trane Performance Based Contracting

This project includes:

- LED Lighting Upgrades
- Domestic Water Conservation
- HVAC replacements (Marion HS)
- Building Envelope and Weatherization improvements
- Building Controls and Energy Management System Upgrades
- High Efficiency Electrical Transformers

The district is seeking approval to proceed with Trane in completing this project.

As a part of the final steps ahead over the next 5 weeks, our MCSD Team needs to pursue a Tax Exempt Municipal Lease to fund this Guaranteed Energy Savings project. This is a great time to finance a project like this with historical low interest rates that are currently less than 2.9% or lower. Our contact is Mr. Michael Gallagher with Compass Municipal Advisors who has supported MCSD on our previous financial
needs and recent financial advice for MCSD. Mr. Gallagher also supports the larger majority of the 79 school districts in South Carolina.

We are seeking approval to move forward for the issuance of a Finance Request for Proposal (RFP) to fund this contract and project.

**Review and Action Property Request**

Barbara Hopkins, the mayor of Sellers has inquired about the district donating the land on Antioch Church Road to the Town of Sellers. The district owns the property, and the property at one point was the site of a school in Sellers. The town of Sellers has maintained the property. A copy of the letter from Mayor Hopkins is attached to this report.
