Marion County Board of Education
November 2019

Operations Report

Marion High School roof repair

Summers Roofing from Alpharetta Georgia began work on the Marion High School roof on November 5th. Lyons and Associates met with Al Blake on November 10th at 10:30 am on site at Marion High School. Upon inspection, it was noted the Summers Roofing had removed the ballast from each of the three sections to be replaced. Lyons and Associates will provide weekly written and verbal updates to the district.

District safety meeting with first responders

The district safety committee met on November 13th at 10:00 at the Central Service Office. The committee is working on the reunification plans for the district. Mr. Blake met with the Marion County Emergency Management Department, and members of the South Carolina Emergency Management Department to fine-tune the district’s reunification plans.

Meeting with Sheriff Department SRO’S

November 1, 2019, Sheriff Wallace, Major Crawford and I met with all the SRO’S from the Sheriff Department. I provided each officer a copy of the presentation Mr. Boykin shared with SRO’S two years ago. We stressed the importance of being visible throughout the school day.

Performance based contract RFO

The RFQ for Performance based contract was published on November 8, and bids will be received on December 6, 2019 at 2:00 pm. The district is seeking a contractor to provide a comprehensive energy services program that includes a complete energy audit, review of designs for installation of energy efficient equipment and systems; monitoring of energy costs; financing for the project; and guarantee that costs be 100% covered by program savings.

Policy EBCB Safety Drills

State law has required policy change for safety drills. The current policy is listed below. The items slated to be changed are highlighted in yellow. The proposed changes are also listed.
Policy EBCB Safety Drills

Issued 6/12

Purpose: To establish the basic structure for the conduct of school safety drills.

Fire drills

Schools will conduct fire drills at least once each month without notice. The staff will fully cooperate to carry out this legal requirement and will train students in prompt and orderly evacuation.

Schools will conduct at minimum, two fire drills each school year, one during each semester. Each drill will be conducted in accordance with guidelines developed by the South Carolina Department of Education (SCDE) and the State Fire Marshal.

Active Shooter/Intruder Drills

Schools will conduct, at minimum, two active shooter/intruder drills each school year, one during each semester. Each drill will be conducted in accordance with guidelines developed by the SCDE and the South Carolina Law Enforcement Division (SLED).

Tornado drills and other disasters

Severe Weather/Earthquake Drills

The district will develop a plan to provide for the protection of students in the event of any disaster that may threaten the school community. Each school will conduct at least one emergency drill within the first month of school to ensure safety against such disasters.

Schools will conduct, at minimum, two severe weather/earthquake drills each school year, one during each semester. Each drill will be conducted in accordance with guidelines developed by the SCDE.

Adopted 6/19/12; Revised 11/19/19

Legal references:

Marion County School District
Superintendent’s General Information:
- As indicated on the agenda the following presentations have been scheduled for the Board meeting.
  - FY 18 Audit Overview
  - MCSD Programs Accountability Updates
  - Teaching and Learning 4 Year Plans
- As a reminder, MCSD will be closed in observance of Thanksgiving, November 25-29. All schools and offices will be closed for the week.
- Request for Executive Session:
  Contractual matter (property), Personnel (appeal) and Legal Matter (personnel)

Congratulations to our own Xavier Legette for his debut “Gamecock” touchdown!

Human Resources: As part of our efforts to continue to recruit and learn how to best support new teachers, we hosted a few of Francis Marion University’s student teachers for supper and networking opportunity. We enjoyed learning from them about the challenges they anticipate facing as they enter classrooms along with their suggestions for types of support they feel would be beneficial.

Teaching and Learning: This continues to be the year of the standards. Groups of teachers are meeting with support from the curriculum office to better understand standards and to create assessments and units that are rigorous and meaningful. Principals and Lead Teachers are now combining their meetings to expand their learning time together. Classroom walk-throughs are calibrated to ensure common understanding of observation criteria, and data from classroom visits is used to provide support to individual classroom teachers. By providing teacher and administrator clarity, we strengthen the core of instruction in the classroom.

Special Services
- The Special Services Dept has completed (Nov 8) the first set of quarterly IEP's with success.
- New Medicaid guidelines for progress summaries began on Nov 1.
- SCDE fiscal desk audit for Tier II funds was successfully completed.

Student Services: Anonymous Reporting
At the October district leadership team meeting, administrators were introduced to Stop It Solutions, which is a safety program funded by the SCSBIT. STOPit Solutions offers anonymous reporting tools that empower students and employees to speak up about inappropriate behavior like bullying, misconduct, and mental health issues where they are most comfortable—their phones. Initial feedback from administrators was very positive and believed this was a useful tool for our district.

Technology: Department is wrapping up the fall inventory and preparing to roll out 200 new student desktops to replace aging devices removed this summer. Additionally we are continuing to close out work orders and are in the planning phases for projects for the next Erate cycle.
**Public Relations:** The PR and Special Projects office has been busy supporting the Teacher recruitment/retention process. Marion County was represented at the National Forum to Advance Rural Education Conference where our year round, multi-person teacher recruitment plan was presented. Onboarding teams were trained by Jill Nyhus from Education Insight Group to help in the process of recruiting and retaining our teachers. A team of leaders attended the Educator Exchange as well as the E3 Advisory Meeting. The 45th day report has been filed with the state department.
