## October Focus: Social and Emotional Learning

### Principal's Corner

Hello Parents, Community Members, and All Stakeholders.

October is the month of harvest and sowing a seed that will grow. For the month of October, we will be focusing on Social and Emotional Learning. As a community, we have to work together to achieve the common goal which is the academic growth of all scholars as well as the full development of the Social/Emotional needs.

As scholars progress throughout the year, parents/guardians please encourage scholars to read for 30 minutes daily as well as practice writing using complete sentence structure and developing the whole idea.

#### **Few Reminders:**

- If you have not submitted your technology usage forms and \$25 insurance payments for scholars, please do so. This is to help cover any damages that may occur while your scholar is utilizing the equipment.
- Check PowerSchool daily for academic progress.
- Beginning, October 7, 2022, the MCSD tardy policy will be implemented fully. Scholars that receive 10 tardies will serve 1-day of out of school suspension. Please check the Marion County School District Webpage and visit the "District Handbook/Policies."
- Please check the MIS webpage with dates for academic and social events.

Mr. Robert D. Dunkin

We believe.

WE are responsible for our own success.  
WE are dedicated, committed, and focused.  
WE will achieve our goals with hard work and integrity.  
We will be educated, prepared, and inspired.  
Today, WE will learn with enthusiasm, expect our best effort, practice safe habits, & respect ourselves and others.  
WE believe in OURSELVES.  
WE believe in EACH OTHER.  
We believe in MARION INTERMEDIATE SCHOOL.

We are FOXES!!!

## Monthly Motivation

Success is all about action in the right direction. Patience is the key element of success.

Sandeep Maheshwari

## Cool Tips From the Nurse

October is Children's Health Month!

Provide seasonal healthy snacks for your child such as pumpkin seeds, apples, and sweet potatoes. Sweet potatoes boost your immune system which helps fight disease. **Remember: an apple a day keeps the doctor away!**

Encourage your child to play outside as the temperatures are milder. Exposure to sunshine provides our bodies with Vitamin D, an essential vitamin for bone growth and fighting disease.

Safety- Take a walk as a family if you go trick-or-treating. Wear bright clothing or carry a flashlight. Stop at homes in your neighborhood where you know the people who live there. Make sure the treats are wrapped and sealed. Stay safe!

## Be on the lookout for Red Ribbon Week details!
